Executive summary

1. The Independent Parliamentary Expenses Authority (IPEA) conducted an Assurance Review of travel and travel-related expenses incurred by Mr Dan Repacholi during the period 1 April to 30 June 2023. The Assurance Review forms part of IPEA's 3 Year Assurance Plan.

Assurance Review Findings

2. The Assurance Review found that the dominant purpose of Mr Repacholi's travel to Melbourne between 19 and 20 April 2023 and between 1 and 3 May 2023 was parliamentary business and was in accordance with the legislative framework.

Scope and Purpose

3. The scope of this Assurance Review is travel and travel-related expenses incurred by Mr Repacholi during the period 1 April to 30 June 2023. The purpose of the Assurance Review was to determine whether the use of parliamentary business resources was consistent with the legislative framework.

Engagement with Mr Repacholi

4. On 28 November 2023, IPEA wrote to Mr Repacholi in relation to travel expenses incurred by him during the period in scope. Mr Repacholi was asked to confirm the dominant purpose of his travel to Melbourne between 19 and 20 April 2023 and between 1 and 3 May 2023. Mr Repacholi was also asked to provide details of the nature of his parliamentary business in Melbourne and provide copies of documentation in support of his claim.
5. On 7 November 2023, Mr Repacholi responded, advising the purpose of travel to Melbourne between 19 and 20 April 2023 was for public hearings for the Joint Committee on Law Enforcement and travel to Melbourne between 1 and 3 May was for the House of Representatives Standing Committee on Industry, Science and Resources.

Audit and Assurance function

IPEA's statutory audit function

6. IPEA audits parliamentarians' work expenses and the travel expenses of their staff under section 12 of the *Independent Parliamentary Expenses Authority Act 2017* (IPEA Act). IPEA conducts Assurance Reviews to assess the use of parliamentary business resources against the legislative framework to determine if there has been misuse.
7. Potential outcomes of an Assurance Review include:
 - a. no further action in circumstances where the review has concluded the use of parliamentary business resources was consistent with the legislative framework, or
 - b. administrative remedial action, including penalty where the review has concluded there is evidence the use of parliamentary business resources was not consistent with the legislative framework, or
 - c. an IPEA initiated Ruling or Audit, where there is evidence of systemic or substantial misuse of parliamentary business resources, or
 - d. referral to the Australian Federal Police where compelling prima facie evidence of fraud or other criminal conduct is identified.

Legislative framework

8. The legislation relevant to this Assurance Review is:
 - a. *Parliamentary Business Resources Act 2017* (PBR Act)
 - b. Parliamentary Business Resource Regulations 2017 (the Regulations)
 - c. Parliamentary Business Resources (Parliamentary Business) Determination 2017 (the Parliamentary Business Determination)
 - d. Parliamentary Business Resources (Commonwealth Transport) Determination 2017 (the Commonwealth Transport Determination)
9. The PBR Act and the PBR Regulations established a framework for providing resources to parliamentarians in respect of their parliamentary business. Parliamentarians are eligible to claim public resources under the framework in respect of their parliamentary business.
10. Section 6 of the PBR Act provides the meaning of **parliamentary business**:
 - (1) The **parliamentary business** of a member means any of the following:
 - (a) the **parliamentary duties** of a member, being activities of the member that:
 - (i) relate directly to the member's role as a member; and
 - (ii) are determined for the purposes of paragraph (4)(a);
 - (b) the **electorate duties** of the member, being activities of the member that:
 - (i) support or serve the member's constituents; and
 - (ii) are determined for the purposes of paragraph (4)(b);

- (c) the **party political duties** of the member, being activities determined for the purposes of paragraph (4)(c);
 - (d) for a member who is an office holder or a Minister of State—the **official duties** of the member being activities that:
 - (i) relate to the member’s role as an office holder or Minister of State; and
 - (ii) are determined for the purposes of paragraph (4)(d).
- 11. Subsection 6(4) of the PBR Act provides the Minister must determine activities of a member that are **parliamentary duties** of the member, or **electorate duties** of the member, or **party political duties** of the member, or **official duties** of the member. The Parliamentary Business Determination prescribes the activities which fall within the four duty streams set out in section 6 of the PBR Act.
- 12. Subsection 6(2) of the PBR Act further provides in part:

However, an activity is not the **parliamentary business** of a member if:

 - (a) the member carries it out for the dominant purpose of either or both the following:
 - (i) providing a personal benefit to the member or another person;
 - (ii) pursuing commercial purposes of the member or another person;...
- 13. Subsection 9(1) of the PBR Act details expenses that may be incurred for travel:

For the purposes of this Act, the following are examples of expenses incurred in connection with travel:

 - (a) the cost of fares;
 - (b) the cost of taxis and other local transport in connection with travel;
 - (c) the costs of the provision of charter services;
 - (d) the cost of accommodation;
 - (e) the cost of meals;
 - (f) the cost of incidentals.
- 14. The Commonwealth Transport Determination provides that COMCAR services are to be made available for the purposes of subsection 8(2) of the PBR Regulations. There are limits and conditions on member’s use of COMCAR within Australia. Subsection 9(1) of the Commonwealth Transport Determination provides:

COMCAR is not available for the purpose of subsection 8(2) of the Regulations if the member could reasonably use the member’s private plated vehicle in the circumstances, assuming the member had a private plated vehicle.

Note: A member who chooses an allowance instead of a private plated vehicle could reasonably be expected to use the allowance instead of claiming COMCAR transport costs in circumstances where a private plated vehicle could otherwise reasonably be used.
- 15. As an overarching matter, the public resources prescribed in Parts 2, 3 and 4 of the PBR Regulations are subject to a specific accountability regime established in the PBR Act for that purpose. Parliamentarians’ access to and use of public resources are subject to the following obligations:
 - Parliamentarians must be personally responsible and accountable for their use of public resources, and to act ethically and in good faith using and accounting for their use of those resources (see section 25)
 - A parliamentarian must not claim or use public resources unless it is for the dominant purpose of conducting their parliamentary business (dominant purpose test, see section 26)

- A parliamentarian must ensure value for money for the Commonwealth in incurring expenses or claiming public resources, taking into account the need to conduct the parliamentary business (value for money test, see section 27), and
 - A parliamentarian must not claim resources or incur expenses if any conditions for accessing the resources have not been met (section 28)
16. In accordance with sections 30 and 31 of the PBR Act, the Commonwealth must pay the travel expenses and travel allowances as prescribed by the Regulations. Division 1 of Part 2 of the PBR Regulations prescribes travel expenses and travel allowances for travel within Australia for the purposes of sections 30 and 31 of the PBR Act.

Dear Mr Repacholi

Assurance Review of travel and travel-related expenses

The Independent Parliamentary Expenses Authority (IPEA) has responsibility under the *Independent Parliamentary Expenses Authority Act 2017* to review work expenses accessed by parliamentarians. IPEA's assurance activities include reviewing the use of work expenses for travel to desirable destinations, family reunion travel, travel adjacent to public or school holidays and unaccompanied staff travel.

IPEA is undertaking an Assurance Review of travel and travel-related expenses incurred by you during the period 1 April to 30 June 2023. Please note IPEA publishes completed Assurance Reviews on the website www.ipea.gov.au.

Division 2 of Part 3 of the *Parliamentary Business Resources Act 2017* (PBR Act) sets out the principles parliamentarians are to apply when utilising public resources.

As you would be aware, under the principles-based scheme parliamentarians have an obligation to be prepared to publicly justify their use of public resources for conducting their parliamentary business (subsection 25(3) of the PBR Act). Parliamentarians also have an obligation to ensure that expenses that are incurred, or allowances or other public resources that are claimed, in relation to the conduct of the member's parliamentary business provide value for money, taking into account the need to conduct the member's parliamentary business (section 27 of the PBR Act).

'Parliamentary business' has the meaning given by section 6 of the PBR Act. Activities that fall within the four duty streams of parliamentary business are set out in the *Parliamentary Business Resources (Parliamentary Business) Determination 2017* (the Determination – **Attachment A**).

OFFICIAL

OFFICIAL: Sensitive

Section 6 of the PBR Act also states:

However, an activity is not the parliamentary business of a member if:

- (a) the member carries it out for the dominant purpose of either or both of the following:*
 - (i) providing a personal benefit to the member or another person;*
 - (ii) pursuing commercial purposes of the member or another person; or*
- (b) the activity is determined under subsection (3) for the purposes of this paragraph.*

Attachment B contains details of your Commonwealth-funded travel within Australia in the relevant period and questions for your response to assist with the Assurance review. Where we have asked about the nature of your parliamentary business, please refer to the Determination and consider the examples outlined and provide copies of documentation to support your response, such as diary notes, invitations, or media reporting.

IPEA notes your travel to Adelaide, Perth, Melbourne and Rosehill to attend public hearings of the House Standing Committee on Climate Change, Energy, Environment and Water inquiry into Plastic Pollution in Australia's Oceans and Waterways fall within the period in scope of this Assurance Review. Having reviewed the available information, IPEA is satisfied this travel was for the dominant purpose of parliamentary business and was in accordance with the legislative framework. This travel has not been included in the table at Attachment B.

Please provide your response via email to Assurance@ipea.gov.au by close of business on **Tuesday 12 December 2023**. If you require additional time to provide a response or if you would like to discuss this matter, please contact [REDACTED]

Yours sincerely
